Performance Level Program

The DDC School of Music introduces our "Level Progression Program". This program was designed to develop certain fundamental skills that are the foundation of the DDC School of Music philosophy of teaching music. Each level will build upon the previous and challenged increased development along the way. As each milestone is achieved a medal or patch is presented recognizing and celebrating the accomplishment. The levels that each student can attain are: Bronze, Silver, Gold and Platinum. Please discuss this new program with your teacher. Further information is provided on the opposite side of this newsletter. We appreciate and celebrate your continued support.
